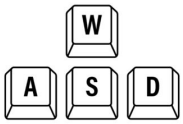
# Shipwreck Showdown: Pirates Plunder

You are a pirate ship sailing who is faced with many adversaries trying to shoot you! Shoot all of them with your broadside cannons and swivel cannon before they shoot you!

<u>Start the Game</u>
Click "PLAY" in the main menu to start the game.

<u>Controls</u>
Use the WASD keys for movement.
Press SPACE to fire your broadside cannons up and down. *There is a one second cooldown.*
Click to aim and fire your cannon toward your mouse for the swivel cannon. *There is a two second cooldown for the swivel cannon.*



Enemies

Each enemy has two hitpoints. Hit them twice to destroy them! Cannons on land are fortified and can not be destroyed.

Repair Your Damage

There are two power ups located somewhere on the map! Collect these power ups to repair your ship.

Damage

Don’t run into the shore! Grounding your ship will cause you to lose the game.

Cannonballs each cause one hit point of damage. You have three hit points, be careful!

Success!

Kill all four enemies and earn four points and you will win!
